The Boardroom at The Guinea is an atmospheric pine panelled room located on the first floor of the historical building that dates back to 1423. Large bay window, patterned carpet and framed pictures of many influential people who used to live in this area of Mayfair enhance the atmosphere. Seating up to 22 people around one oval table, the Boardroom is ideal for any type of formal business lunch or dinner, client entertaining or social occasions such as birthdays or small weddings.

## Capacity

The capacity of the room is 22 people seated around one oval table. We can accommodate up to 28 people when seated around three tables.
