

We've been serving wines from Burgundy and Bordeaux at The Guinea Grill since the 50's. The likes of Ava Gardner and Frank Sinatra would have been drinking these wines and we're proud to serve every bottle in this list.

Here are some recommendations from the team...

With oysters or smoked salmon to start, a light, crispy Albariño Casal Caiero "Sobre Lias" (page 3) is just the ticket, or the Rully from south of Burgundy (page 7) goes perfectly with our prawn cocktail.

With our award-winning pies an elegant and fruity Aglianico del Vulture (page 17) is perfection, while a Zinfandel from Napa County in the US (page 19) matches the grilled lamb cutlets beautifully.

With the bone-in rib eye a glass of Chateau Musar (page 3) is particularly exciting. We were one of the first London restaurants to serve this Lebanese wine, produced in one of the hottest places on earth, so expect something bold and punchy.

To not overpower the sirloins, you can choose with or without bone, a Corbec (page 20), which is a blend of Corvina and Malbec, won't let you down.

If you have any questions, please do ask...
